Senate Economic Development and Workforce Services Committee

Bill: SB 67, Workplace Violence Protective Orders

Sponsor: Sen. Weiler

Floor Sponsor:

UASD Position: Support

This Bill: creates a workplace violence protective order.

Discussion: This bill allows for a company not just an individual to file for a protective order. It would require that a reasonable person feel terrorized, frightened, intimidated, harassed, or threatened. One person hearing the incident would not eliminate the protective order from happening. It is up to the judge to determine if a protective order is warranted.

Outcome: Passed out the Senate with a favorable recommendation.
