House Transportation Committee

Bill: 1 Sub HB 69, Traffic Code Amendments

Sponsor: Rep. Musselman

Floor Sponsor:

UASD Position: Tracking

This Bill: amends the Traffic Code to clarify the law with regard to a turn signal and objects that might obstruct a driver's view.

Discussion: The 1st substitute of the Bill alleviates the concerns this committee had about when a turn signal was required. The “Enter the Roadway” language was dropped. Now the Bill simply clarifies that a driver must have a clear view of the road. The “materially obstructed” language was also deleted to make the Bill more simple.
