“Boxcar” bill-file listing

The following list presents bill files referred to as “Boxcars” that may have some impact upon districts. These files were opened as of the bill-filing deadline on Friday, January 29th at noon. A boxcar is a bill file that has been opened with a title and name of a legislator, without any text in the bill. Boxcars can be “filled” and rolled out at any time. As a result, we follow them carefully in order to quickly assess their potential impact upon districts. Bill numbers are not associated with empty bill files. As a result, bill titles are listed alphabetically by the last name of the sponsoring legislator.
