

UASD Board-of-Trustees Nominations

UASD will hold elections for five positions on the UASD Board-of-Trustees at the UASD annual business meeting to be held on November 4th, 2021, mosquito abatement (LD), sewer (2 LD improvement districts), water (LD improvement) and water (LD conservancy). The current Executive Committee/board officers for the next two years will also be re-confirmed. Each term will begin on the 4th Monday in March 2022. The Nominations Committee is accepting nominations from qualified representatives of a local district or a special service district that is a member of the UASD in good standing. In addition, individuals interested in being considered in the future by the nominations committee may check the appropriate line on the Nomination Form below.

The Nominations Committee evaluates a variety of factors in considering a nominee to serve on the board. These factors include the type of district being represented by the nominee, the service rendered by the district, the geographic location of the district, as well as areas of focus and expertise. Consideration of these factors is intended to provide a healthy diversity on the board of trustees to better represent the interests of Association membership.

These positions will be filled by election at the Annual Business Meeting held during the UASD Annual Convention on November 4th, 2021. Individuals interested in being considered by the nomination committee must complete and return the following items:

Nomination Form (below)

Letter of Interest

Resolution of Support (Adopted by District Governing Board)

Please return the above documents to the UASD no later than October 22nd, 2021.
