POSITION OPENING:

Wastewater Collection System Operator I, II, III or IV

Snyderville Basin Water Reclamation District is seeking to fill the position of Wastewater Collection System Operator I through IV to operate, maintain, inspect and repair the wastewater collection system. Experience with construction equipment and wastewater collection system operation desirable. Some computer skills necessary. Complete job descriptions available at www.sbwr.org as well. A first review of applications and resume's submitted is expected to take place on Friday, April 29, 2022.

The hiring annual salary for the prospective candidate is expected to range from \$42,608 (no direct experience or certifications) to \$86,577 (extensive, direct experience and all 4 certifications), depending on relevant experience and certification level. All applicants must have or be able to obtain a Utah Class A commercial driver license within six months of starting to work for the District. The successful candidate must also pass a post-offer, pre-employment drug screening and criminal background check. Excellent government benefits include full health and Utah State retirement plan. Applications available at www.sbwr.org and will be accepted until position is filled. Send completed application and resume to Bryan Steele, Finance & HR Manager, to bstele@sbwr.org or mail to Mr. Steele at 2800 Homestead Rd., Park City, UT 84098, (435) 649-7993. FAX (435) 649-8040. *Please NOTE that the resume does not substitute for the required, completed application.* The District is an Equal Opportunity Employer.
