Content

Please comment on any items relating to the convention, e.g. presenters, topics, materials for attendees, hotel accommodations, convention venue, etc. Did we succeed in meeting your needs and expectations?

The binder is not necessary. A schedule and a notebook for note-taking is enough.

Suggestions – How can we improve?

Please list comments and suggestions as to how we can improve in all areas, including those listed above.

The luncheon food was bad. The break snacks was a plus. Many presentations had little substance (especially when they basically went step by step from a website). This conference could easily be paired down to 2 full days instead of 1/2 day, full day, half day. Have the updates for website (like templates) on website BEFORE the conference
