

2025 Interim bills/issues - for consideration at 2025 UASD Annual Convention

2026 draft legislation

Government Operations Committee

Political Signs Amendments

<https://le.utah.gov/interim/2025/pdf/00003808.pdf>

Natural Resources, Agriculture, and Environment Committee

Airborne Chemicals Amendments

This bill should not affect Mosquito abatement activities. It is included, FYI, because of the title.

<https://le.utah.gov/interim/2025/pdf/00003800.pdf>

Geothermal Amendments

Provided for consideration because of its association with water rights.

<https://le.utah.gov/interim/2025/pdf/00003801.pdf>

Natural Resources, Agriculture and Environment Technical Changes

<https://le.utah.gov/interim/2025/pdf/00003774.pdf>

Revenue and Taxation Committee discussions

No bill yet. Discussion of issues in preparation for bill drafting. There was a request to look at SD and SSD property taxation. We are working to address issues outside of committee and process.

Property Tax Shift - Presentation by Legislative Fiscal Analyst

Lots of discussion re: property tax burden being shifted from businesses to tax payers. Considering options to reverse shift, and shift more property tax load back on to businesses.

Property Tax Solutions - Brief presentation by OLGRC

<https://le.utah.gov/interim/2025/pdf/00004073.pdf>

Residential Exemption Estimates - Memo to Rev and Tax Committee from Fiscal Analyst

<https://le.utah.gov/interim/2025/pdf/00004083.pdf>

Transportation Committee

Boating Safety Training

Addresses watercraft safety training course annually. Includes information about aquatic invasive species as part of the required training.
