Bill: SB 146 – Industrial Byproduct Amendments

Sponsor: Senator Grover

Floor Sponsor:

UASD Position: Track

This Bill addresses provisions related to industrial byproduct reuse.

Discussion: Senator Grover explained that the Bill allows an industrial byproduct to be used in any public project, if the Director of the Division of Waste Management and Radiation Control approves an application to reuse the industrial byproduct. A project is defined as a project to construct a highway or road, curb, gutter, walkway, parking facility, public transportation facility, or any facility, infrastructure, or transportation improvement that benefits the public.
